ADMINISTRATIVE RECORD – FILED UNDER SEAL

The Administrative Record (“AR”) is being provided to the Court (and Plaintiff’s counsel) manually and under seal. The AR is being filed under seal because immigration and federal tax forms with personal and corporate identification information, that could not be easily redacted, appear throughout the AR, and because the AR exceeds the size limit for electronic filing.

¹ Since the pendency of this case, a number of Defendants, sued in their official capacity, have changed. Pursuant to Fed. R. Civ. P. 25(d)(1), the names of these officers’ successors are automatically substituted as a party.
